Your Giving Choices For 36 Years

Giving at work allows you to break your gift into smaller amounts over the entire year, making it easy to manage your budget. You can also give to several charities at once, leaving us the work of sending it to them—you are freed from writing multiple checks.

You Choose Where Your Money Goes

Pick from one or more of our vetted nonprofits, or all of them. Your donation is directed as YOU tell us.

Can't decide? Then give to Community Shares as a whole and your donation is divided EQUALLY among our member nonprofits.

Have a different charity you love? Write that on your pledge form. Once we've determined that they are registered with the IRS and Ohio Attorney General as a charity, we direct 85% of your gift to them.* You can give ANY amount—there are no minimums because all size gifts are welcome at Community Shares and we do not redirect any portion of your designated gift. The bottom line: You select where your gift goes, not a committee.

*see our website for details

Broad Interests and Choices

Our members span the variety of our region's neighborhoods and many extend into Lorain, Lake, Summit, and Geauga counties. Some work statewide. And, as social justice organizations, we address more than health and human services.

Participate By Giving

A gift of any amount makes a difference. Give at your workplace using the pledge form here, on our website, or by text.
